

Thomas Harriot College of Arts and Sciences

Catalog: 2019-2020

B.S. in Chemistry

This 4-year plan is designed for students who place into Calculus I (MATH 2171).

The BS degree in chemistry offers in-depth coverage of all major areas of chemistry, featuring challenging advanced coursework for our majors. Students who earn a BS in chemistry are equipped with skills that enhance their marketability to a wide variety of employers in technology and science, and are well-prepared to enter graduate school in chemistry or professional school such as medical, dental, or pharmacy school. Our BS degree is certified by the American Chemical Society, the largest professional scientific organization in the world.
